Meibom, USAG Bamberg PAO**

**LTC Mark Gatto
announces the
beginning of the
tree lighting
ceremony.**

**The moment
everyone is
waiting for...**

**...hundreds of
lights
are turned on!**

**Santa
makes a stop!**

A nighttime photograph of a street in Bamberg, Germany, decorated for the holiday season. The street is illuminated by streetlights and decorated with strings of warm white lights. Several cars are visible on the road, and a large, illuminated archway is visible in the background. The text "USAG Bamberg is ready for the Holiday Season!" is overlaid on the bottom half of the image.

**USAG Bamberg is
ready for the Holiday Season!**
